ORDER DENYING MOTION TO STAY PROCEEDINGS

Petitioner Michael Davis moved to stay these federal habeas proceedings and hold the case in abeyance until the resolution of his motion to reopen his post-conviction petition and petition for writ of error coram nobis filed in state court. (ECF No. 3.) Warden Georgia Crowell responded in opposition to the motion. (ECF No. 11.)

Respondent asserts that Petitioner does not have any pending proceedings in state court. (ECF No. 11 at PageID 162.) Based on a docket search of Davis's case in Shelby County Criminal Court, Respondent contends that the post-conviction proceedings, which concluded in 2018, were the final proceedings on Petitioner's case in that court. (*Id.* at PageID 163.) Further, there is no indication that a motion to reopen the post-conviction proceedings has been filed. (*Id.*; *see* ECF No. 11-1.)

Petitioner does not dispute Respondent's assertions about his state court filings. He has not shown proof that he has a pending case in state court that would require a stay of these federal proceedings. The Court therefore **DENIES** Petitioners Motion to Stay Proceedings.

SO ORDERED, this 5th day of November, 2019.
